Call for volunteers 2022

The Amsterdam Spanish Film Festival (ASFF) is looking for volunteers who are film-lovers and can help us run the 10th edition of the festival. ASFF is a unique film exhibition initiative allowing people based in Amsterdam and broader Dutch audiences to discover and engage with a carefully honed selection of cinema from Spain and Spanish-speaking Latin America.

SFF is launched, organised and solidly programmed by Sin Fin Cinema, and provides a showcase of new trends of mainstream Spanish cinema as well as focusing on independent, artistic and experimental Spanish films.

This edition of the Spanish Film Festival takes place in Amsterdam from 5th to 9th October at Pathé Tuschinski, Eye Filmmuseum, OBA Centraal and Lab111.

We offer you the chance to be part of a well-established festival with a very enthusiastic team. You will also have the chance to:

- watch a curated selection of Spanish movies (with English subtitles);
- meet our prestigious guests (directors and actors);
- network with people from the Dutch cultural sector through the festival;
- participate in all the events connected to the festival!
- get an ASFF t-shirt;
- get free meals (corresponding to your shift);

We are looking for volunteers with diverse interests and skills that can carry out different tasks. Mainly, you will be the face of the festival and seen as a host or a spokesperson

Production assistant

Helping out with all general production related tasks at the festival. This could be from pouring wine at our screenings, buying or arranging last minute things, scanning the tickets at the entrance or even being the spokesperson at one of our venues when the coordinators can't be there. We have four different locations with movies screening at the same time, so we need people who can think in solutions instead of problems and are able to adapt to quick, last minute changes.

Ticketing system

Do you have some technical knowledge? This year, ASFF is selling its own tickets for the first time. The system is new to us, so we can always use people who can help us with this. Most of the ticket sale will be done online, but we want to inform some of our volunteers about the ticketing system, so our visitors have someone to turn to if they have questions or concerns.

Hospitality

Many tasks will be related to hospitality, as we will receive international guests to come to our screenings. They need to be accompanied and helped if necessary. So are you a hospitable person and do you speak Spanish? We can use your help!

Runner

Do you have your drivers license? Then you can help us out by picking up our international guests from the airport or bringing them to screening locations on time. Or if you can ride a cargo bike through Amsterdam, you can help us by moving our Spanish wines and tapas or other promotional materials between our different venues.

Of course, we have more tasks, like for example, taking pictures at the events or maybe even moderating or translating a Q&A session. Anywhere specific where your interest lies? Please don't hesitate to let us know!

Prior to the Festival, we also have an Educational Programme on **Monday 26th, Wednesday 28th** and **Thursday 29th of September**.

Your shifts will be between four to eight hours. For the Educational Programme screenings and Saturday and Sunday, we would need you in the mornings. The rest of screenings run during the afternoon and evening.

Would you like to join us? Tell us more about you and your availability in the following form: <https://forms.gle/H5xFcktZSjKDLWFX8>

If you have any questions, please feel free to email us at coordinator@sinfincinema.com

Deadline call: 25th of August 2022.
